
TUGboat editorial information

This regular issue (Vol. 34, No. 2) is the second issue of the 2013 volume year.

TUGboat is distributed as a benefit of membership to all current TUG members. It is also available to non-members in printed form through the TUG store (<http://tug.org/store>), and online at the *TUGboat* web site, <http://tug.org/TUGboat>. Online publication to non-members is delayed up to one year after print publication, to give members the benefit of early access.

Submissions to *TUGboat* are reviewed by volunteers and checked by the Editor before publication. However, the authors are still assumed to be the experts. Questions regarding content or accuracy should therefore be directed to the authors, with an information copy to the Editor.

Submitting items for publication

The third issue for this year will be the TUG 2013 proceedings. The deadline for receipt of final papers for that issue is November 4.

The *TUGboat* style files, for use with plain $\text{T}_{\text{E}}\text{X}$ and $\text{L}^{\text{A}}\text{T}_{\text{E}}\text{X}$, are available from CTAN and the *TUGboat* web site. We also accept submissions using Con $\text{T}_{\text{E}}\text{X}$ t. Deadlines, tips for authors, and other information: <http://tug.org/TUGboat/location.html>

Suggestions and proposals for *TUGboat* articles are gratefully accepted. Please submit contributions by electronic mail to TUGboat@tug.org.

Effective with the 2005 volume year, submission of a new manuscript implies permission to publish the article, if accepted, on the *TUGboat* web site, as well as in print. Thus, the physical address you provide in the manuscript will also be available online. If you have any reservations about posting online, please notify the editors at the time of submission and we will be happy to make special arrangements.
