The election to choose the new President and Board members will be held in Spring of 2015. Nominations for these openings are now invited.

The Bylaws provide that “Any member may be nominated for election to the office of TUG President/ to the Board by submitting a nomination petition in accordance with the TUG Election Procedures. Election . . . shall be by written mail ballot of the entire membership, carried out in accordance with those same Procedures.” The term of President is two years and the term of a Board member is four years.

The name of any member may be placed in nomination for election to one of the open offices by submission of a petition, supported by two other members in good standing, to the TUG office. The nomination form can be sent by postal mail, faxed, or scanned and submitted by email. Any or all of the supporting signatures can be sent separately, via any of those same methods, from the nomination form. Such a separate supporting signature should be on the same nomination form, left blank except for the candidate’s name, printed name and signature of the supporter, and date.

A nomination form follows this notice; forms may also be obtained from the TUG office, or via <http://tug.org/election>.

Along with a nomination form, each candidate is asked to supply a short biography, a statement of intent, and (optional) passport-size photograph to be included with the ballot. The biography and statement of intent together may not exceed 400 words; sending these by email in plain ASCII or T_EX is preferred, with the photo given as an attachment or url. Also, a candidate’s membership dues for 2015 are expected to be paid by the nomination deadline.

The deadline for receipt of nomination forms and ballot information at the TUG office is **1 February 2015**.

If there are more candidates than open positions, ballots will be mailed to all members within 30 days after the close of nominations. Marked ballots must be returned no more than six (6) weeks following the mailing; the exact dates will be noted on the ballots.

Ballots will then be counted by a disinterested party not affiliated with the TUG organization. The results of the election should be available by late May, and will be announced in a future issue of *TUGboat*, on the TUG web site, and through various T_EX-related electronic lists.
